- > Optional locking brake

Carpet finishes

GS-LOBBY XS

Stainless steel, gold-plated, with locking brake, illustration shows optional equipment

GS-LOBBY XS

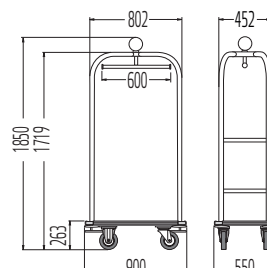

Stainless steel, electro-polished

Prevents the trolley accidentally rolling away

Optional locking brake

An ideal addition to make the GS-Lobby XS secure on inclines.

Standard equipment: Round-tube design with elegant crown and coat rail. Sturdy platform with all-round bumper and deflectors, durable, stain-resistant carpet in anthracite or red.

Material: Stainless steel, electro-polished or gold-plated.

Castor wheels: 2 swivel castors, 2 fixed castors, quiet rubber treads. Optional locking brake.
