Standard equipment

hotel-max S and hotel-max L service trolleys:

The chassis consists of a round tube design with plastic powder coating. Wire storage basket, wire bottom tray holds the service basket; hotel-max L features particularly generous dimensions.

Castor wheels: Made of plastic with non-wearing tread.

hotel-max S and hotel-max L service baskets:

Plastic with woven willow look. Food-safe, heat-resistant to 70°C and UV stable. Washable and suitable for machine washing.

Extras on the hotel-max L service basket: There are two basket heights, each equipped with a small item basket. Additionally, the shorter version* has compartment dividers.

*Height 440 mm

Elegant and manoeuvrable multi-function trolleys by Wanzl

■ **The hotel-max S & L** range allow chambermaids to accomplish their tasks “invisibly”, thus leaving the hotel and its corridors free of clutter, and true to their upmarket ambience.

Can be folded flat to save space

The **hotel-max S** and **hotel-max L** service trolleys can be folded down to occupy very little space when not needed. Totally practical. They soon become indispensable.

Lots of space for cleaning requirements

Everything you need for housekeeping can be comfortably accommodated in the wire basket on the hotel-max's control handle.

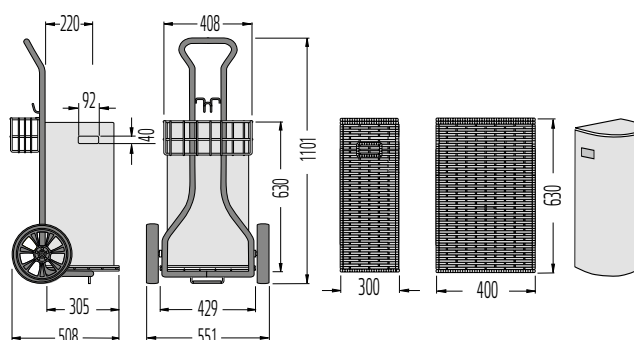

Particularly gentle

Plastic profiles ensure additional protection of all surfaces. The double edging wire offers the service basket additional support.
