## INTERMETAL LTD.

Intermetal Ltd. is part of Harwal Group, an intuitive, innovative and agile management holding with diverse manufacturing companies in the United States, Europe, the Middle East and the former Soviet Union. The technological and manufacturing capabilities of the Group are evident by the wide product range and volumes that are produced by the Group companies. With an annual conversion capacity of over 200,000 metric tons of plastic and 20,000 tons of aluminium and steel, the Group is at the forefront of its respective industries.

Intermetal has been designing and manufacturing superior Hospitality Contract Furniture since 1989. As a specified supplier to many prestigious hotel chains worldwide, the growth of the company is attributed to quality manufacturing and resilient products.

The comprehensive Banquet and Conference furniture collection includes: stacking aluminium chairs, folding tables, conference tables, conference seating, buffet units, staging systems, dance floors and accessories, manufactured from the finest raw materials that integrate style, comfort and functionality. Our product line includes contemporary designs and updated classics.

At Intermetal, our highly experienced in-house Design Team is constantly exploring new shapes, finishes and manufacturing methods to create innovative and flexible solutions that make a lasting impression and meet the demands of designers, consultants, owners, operators and guests. A dedicated management team, a diverse workforce and skilled craftsmen work in unison to provide furniture solutions which exceed our customers' expectations.

Intermetal's state-of-the-art manufacturing facility covers over 40,000m<sup>2</sup> and is fully equipped with CNC Bending and Routing Machines, Robotized Welding, Powder Coating and Chrome Plating Lines, Advanced Woodworking and Upholstery. With the ability to monitor all areas of production, Intermetal can guarantee timely deliveries, quality and durability.

As an ISO 9001:2008 Certified Company, management's commitment to innovation, research and development and sustainability has placed Intermetal at the forefront. Our finished products speak for themselves and reflect Intermetal's commitment to excellence.
