INTERMETAL LTD.

Intermetal Ltd. is part of Harwal Group, an intuitive, innovative and agile management holding company with diverse manufacturing companies in the United States, Europe, the Middle East and the former Soviet Union. The technological and manufacturing capabilities of the Group are evident by the wide product range and volumes that are produced by the Group companies. With an annual conversion capacity of over 200,000 metric tons of plastic and 20,000 tons of aluminium and steel, the Group is at the forefront of its respective industries.

Intermetal has been designing and manufacturing superior Hospitality Contract Furniture since 1989. As a specified supplier to many prestigious hotel chains worldwide, the growth of Intermetal Ltd. is attributed to quality manufacturing, resilient products and total customer satisfaction.

The Outdoor Living Collection consists of a comprehensive range of tables, chairs, sofas, loungers and umbrellas that are manufactured from quality aluminium, teakwood and rattan, and upholstered in weather resistant materials. The entire range is suitable for beach or poolside and recommended for inside or outside use. Our product line includes contemporary designs

and updated classics that are manufactured from the finest raw materials that integrate style, strength and durability.

At Intermetal, a highly experienced in-house Design Team is constantly exploring new shapes, finishes and manufacturing methods to create innovative and flexible solutions that make a lasting impression and meet the demands of designers, consultants, owners, operators and guests. A dedicated management team, a diverse workforce and skilled craftsmen work in unison to provide furniture solutions that exceed our customers' expectations.

Intermetal's state-of-the-art manufacturing facility is fully equipped with CNC Bending and Routing Machines, Robotized Welding, Powder Coating and Chrome Plating Lines, Advanced Woodworking and Upholstery. With the ability to monitor all areas of production, quality and durability are guaranteed.

As an ISO 9001:2008 Certified Company, management's commitment to innovation, research and development and sustainability has placed Intermetal at the forefront. Our finished products speak for themselves and reflect our commitment to excellence.
